

Support us by becoming a Friend of St Michael's Church

The Parish of Three Saints organises its funding through a central **Church Life** fund that supports our religious and administrative activities. There are **Heritage** funds for each church and these funds cover the annual running and maintenance costs and any capital expenditure planned. You can:

Become a **Friend of St Michael's Church** by paying an annual subscription (minimum £20 per individual and £30 per family).

If you wish to support us in this way please register through the Church of England Parish Giving scheme by visiting their website using the QR Code above. You will be asked to give your personal details. This data is held by PGS confidentially and is not routinely made available to the Parish. When you have set up your regular donation you will receive an acknowledgement.

We like to keep in contact with Friends so that we can send you Newsletters and invite you to meetings in the church. **So please tick the box that allows us access to your name, email address and tel no when you register.**
